ABOUT US

Foulds Ingham Associates was established in 1979 and has delivered high-quality reports and valuations for all of that time.

Our experience is extensive over most industries and we have been instructed in cases where company turnover has been a little as £50,000 per annum up to tens of millions of pounds per annum.

Industrial sectors include retail, heavy industry and service industries such as hotels & leisure and computer programmes & games, both in development and distribution.

Our directors hold a wide range of academic qualifications in hotel management, computer science, property valuation & law and business administration. Professional qualifications include Chartered Valuation Surveyor (MRICS), Chartered IT Professional Professional (MBCS) and Registered Fixed Charge Receiver (RICS)

Foulds Ingham Associates utilise our education, qualifications and experience to bring a wide range of services to business recovery professionals. As chattel agents, we can offer a valuation and disposal service with the personal attention of principals whose combined experience totals more than 70 years.

Our Management Support Unit offers experience in the project management of trade-on case in a extensive range of industries, including hotels of up to 600 beds, multiple retail and manufacturing, for any period from a few days up to many months.

Finally, we offer a re-valuation of chattel and stock assets that complies with FRS 15 and the RICS "Red Book" by a Chartered Valuation Surveyor (MRICS) with over 25 years valuing chattel assets for insolvency practitioners.
